Dear Producer:

You are encouraged to nominate yourself or someone else to represent your interests on the Farm Service Agency County Committee. FSA county committees are a unique arrangement that allow local guidance for federal farm programs. These committees are a direct link between the farm community and the U.S. Department of Agriculture. Committee members are a critical component of ensuring FSA agricultural programs serve the needs of local producers. Committee members are compensated for their time and travel related to county committee duties.

The duties of county FSA committee members include:

- Participating in county meetings and hearing producer appeals at the local county level;
- Informing farmers of the purpose and provisions of FSA programs;
- Monitoring changes in farm programs and assisting with delivery of FSA farm programs at the local level;
- Performing other duties as assigned by the State FSA Committee.

This year, nominations are for a committee member to represent producers in Klickitat County Local Administrative Area (LAA) #2. Please feel free to call the County Office for a more detailed description or a copy of the LAA map.

LAA #2 is basically Central Klickitat: The area west of Rock Creek from the Columbia River to the Bickleton/Goldendale highway, then north on Section line two miles west of Range line separating Range 18 and Range 19 to the Yakima Indian Reservation, then following the Reservation boundary in a general NE direction until the county line is reached. The north boundary is the county line and the south boundary is the Columbia River. The western boundary begins at the Columbia River, and then north on Range line dividing Range 13 and 14 until it intersects with highway 142. Follow highway 142 until you reach section line two miles east of the line dividing Range 14 and Range 15. Follow section line north to the Yakima Indian Reservation, then following the Reservation boundary in a general NW direction until the County line is reached.

To hold office as a county committee member, a person must meet the basic eligibility requirements described below:

- Actively participate in the operation of a farm or ranch;
- Be eligible to vote in a county committee election. (Be of legal voting age and have an interest in a farm or ranch; not of legal voting age but supervises and conducts farming operations on an entire farm; participates in any FSA program);
- Reside in the LAA in which the person is a candidate.

The nomination form FSA-669A allows individuals to nominate themselves or any other person as a candidate. Each form submitted must be limited to one nominee and signed and dated by the nominee (Item 3A) to indicate a willingness to have their name placed on the ballot and agree to serve if elected. Item 8A reflects the nominator's signature and date. For detailed instructions on completing the nomination form or requesting a form, please contact your local county FSA office, or refer to the website <http://www.fsa.usda.gov/wa>.

The deadline for nominations is August 1, 2011. Completed nomination forms are to be submitted to the county FSA address listed at the top of this letter and should be returned, delivered, or postmarked no later than August 1, 2011.

Sincerely,

/s/ Virginia Klein

**Notice to Hispanic or Women
Farmers and Ranchers:
Compensation for Claims
Discrimination**

If you believe that the United States Department of Agriculture (USDA) improperly denied farm loan benefits to you between 1981 and 2000 because you are Hispanic, or because you are female, you may be eligible to apply for compensation. You may be eligible if:

1. you sought a farm loan or farm-loan servicing from USDA during that period; and
2. the loan was denied, provided late, approved for a lesser amount than requested, approved with restrictive conditions, or USDA failed to provide an appropriate loan service; and
3. you believe these actions occurred because you are Hispanic or female.

If you want to register your name to receive a claims package, you can call the Farmer and Rancher Call Center at 1-888-508-4429 or access the following website:
www.farmerclaims.gov.

NAP Deadline

For the 2012 crop year, **September 30, 2011**, is the application deadline for obtaining perennial grazing and forage crop coverage under the Non-Insured Crop Disaster Assistance Program (NAP). Mint and wheat are also covered in this deadline.

Some of the basic eligibility requirements include annual reporting of crop acreages, providing actual production evidence on a yearly basis, obtaining a loss adjustor appraisal if the damaged crop will be destroyed or left unharvested. Production information for 2010 crops must be reported by **June 30, 2011**.

NAP coverage or federal crop insurance through the Risk Management Agency is pre-requisites for many FSA disaster programs.

Acreage Reporting Deadline

Acreage reports are required under the 2008 Farm Bill to maintain eligibility for the DCP and ACRE programs, as well as CRP,

NAP, SURE and most livestock disaster programs. Reports are also required to commodity loan eligibility. **June 30, 2011**, is the final date to timely certify. Beyond that date, fees will be assessed for late-filed acreage reporting.

ACRE Production Deadline

Producers have until **July 15, 2011** to certify their 2010 ACRE production. Production amounts are used to calculate potential ACRE-ACRE payments and benchmark yields for future benefits. Failure to meet this deadline will require a refund of all 2010 payments and termination of the ACRE contract.

2009 SURE Sign up Deadline

The deadline for producers to submit applications for 2009 crop year Supplemental Revenue Assistance Payments Program (SURE) is **July 29, 2011**. The application and all required documentation must be on file and signed by close of business on that day.

A fact sheet with more detailed information is available on the FSA website. Maps of disaster designations by county are on the FSA website at www.fsa.usda.gov/wa. For more information, contact this office.

**Farm Changes and
Reconstitutions**

Any changes in your farm's physical makeup, such as adding or removing land, can impact your acreage bases. Farm reconstitutions must be requested by **August 1** to be effective for the 2011 program year. Your farm must comply with program requirements as the operation is currently structured, including required signatures and acreage reporting. Requesting a farm reconstitution after signup could delay your payment, require refunds, or require the process to be completed again.

BUDGET CUTS: Due to budget cuts, this may be the last county newsletter for the fiscal year, ending **September 30, 2011**. County offices may also not have the funds necessary to print field maps. Producers are encouraged to contact this office for program deadlines and other information.
